NOTICE OF WORKSHOP TO SOLICIT COMMENTS ON PROPOSED REGULATIONS - LEASING TAXICABS

The Taxicab Authority located at 2090 E. Flamingo Road, Suite 200, Las Vegas, NV 89119, (702) 668-4029, is proposing to amend and adopt certain regulations in the Nevada Administrative Code to implement Senate Bill 376 of the 78th (2015) Nevada Legislative Session. This bill permits certificate holders to lease taxicabs to drivers, effective January 1, 2016. A workshop has been set from 9:00 a.m.-12:00 p.m. on Friday, December 18, 2015, at the following location:

Taxicab Authority Hearing Room
2080 E. Flamingo Road, Suite 114
Las Vegas, Nevada 89119

The purpose of the workshop is to receive comments from interested persons on the following general topics that may be addressed in the proposed regulations, including but not limited to:

- Which businesses may participate in leasing out taxicabs? What requirements must these businesses follow?
- Who may participate as drivers of leased taxicabs? Once a Lessee of a taxicab, what requirements must drivers follow?
- At minimum, what information must be included in the agreement between the taxicab company and the independent contractor?
- Procedures governing approval requests for lease templates.

Today drivers within Clark County are employees of taxicab companies. If adopted, these new regulations will give drivers the option to enter into agreements to lease taxicabs from taxicab companies. Drivers who lease will be able to keep proceeds from rides minus statutory fees and contract costs. Both drivers and companies may define their professional relationship in response to each party's needs.

A copy of all materials relating to the proposed regulatory amendments may be obtained at the workshop or by contacting the Taxicab Authority at 2090 E. Flamingo Road, Suite 200, Las Vegas, NV 89119, (702) 668-4029. A reasonable fee for copying may be charged.

This Notice of Workshop to Solicit Comments on Proposed Regulations – Leasing Taxicabs has been sent to all persons on the agency's mailing list for administrative regulations and posted at the locations as contained in Attachment A, attached hereto and incorporated herein.

SMALL BUSINESS IMPACT STATEMENT

The Taxicab Authority established that its proposed regulations creating procedures for taxicab leasing pursuant to Senate Bill 376 of the 78th (2015) Nevada Legislative Session do not create a negative economic impact on small businesses. The Taxicab Authority sent out a general notice to small businesses asking whether these proposed regulations would impose a direct and significant economic burden upon them. Having received no written responses, the Taxicab Authority does not believe the proposed regulations significantly impair the ability of small businesses to operate, form, and/or expand.

On November 24, 2015, the Taxicab Authority posted its Notice to Determine Impact of Amendment on Small Businesses by sending notices to the locations, companies, and businesses as listed in the notice. The Taxicab Authority requested small businesses to submit written responses no later than December 2, 2015 describing their concerns and expressing how these proposed regulations may negatively impact them. The Taxicab Authority received no written responses or concerns from small businesses as of the deadline date.

Small businesses have yet another opportunity to address the proposed regulations and whether it will negatively impact them. The Taxicab Authority has scheduled a formal workshop for December 18, 2015 at the following location:

Taxicab Authority Hearing Room
2080 E. Flamingo Road, Suite 114
Las Vegas, Nevada 89119

Small businesses, at this time, may orally express their concerns and discuss how the proposed regulations will impair their ability to operate, form, or expand their businesses. The Taxicab Authority will address and incorporate any oral comments received during the formal workshop day into its final small business impact statement.

Based upon the foregoing, the Taxicab Authority does not believe the proposed regulations create a negative economic impact on small business hindering their ability to operate, form, and/or expand.

I certify that, to the best of my knowledge and belief, the information contained in this statement is prepared properly and is accurate.

By the Authority,

Ronald Grogan, Administrator
Nevada Taxicab Authority
Las Vegas, Nevada
