**NOTICE OF WORKSHOP TO SOLICIT COMMENTS ON PROPOSED
REGULATIONS - LEASING TAXICABS**

The Taxicab Authority is proposing to amend and adopt certain regulations in the Nevada Administrative Code to implement Senate Bill 376 of the 78th (2015) Nevada Legislative Session. This bill permits certificate holders to lease taxicabs to drivers, effective January 1, 2016. A workshop has been set from **9:00 a.m. - 11:00 a.m.** on Thursday, **September 22, 2016**, at the following location:

***Taxicab Authority Hearing Room
2080 E. Flamingo Road, Suite 114
Las Vegas, Nevada 89119***

The purpose of the workshop is to receive comments from interested persons on the following general topics that may be addressed in the proposed regulations, including but not limited to:

- Which businesses may participate in leasing out taxicabs? What requirements must these businesses follow?
- Who may participate as drivers of leased taxicabs? Once a Lessee of a taxicab, what requirements must drivers follow?
- At minimum, what information must be included in the agreement between the taxicab company and the independent contractor?
- Procedures governing approval requests for lease templates.

Today drivers within Clark County are employees of taxicab companies. If adopted, these new regulations will give drivers the option to enter into agreements to lease taxicabs from taxicab companies. Drivers who lease will be able to keep proceeds from rides minus statutory fees and contract costs. Both drivers and companies may define their professional relationship in response to each party's needs. All comments verbal and/or written are welcome.

A copy of all materials relating to the proposed regulatory amendments may be obtained at the workshop or by contacting the Taxicab Authority at 2090 E. Flamingo Road, Suite 200, Las Vegas, NV 89119, (702) 668-4083. A reasonable fee for copying may be charged.

SECOND AMENDED SMALL BUSINESS IMPACT STATEMENT

The Taxicab Authority established that its proposed regulations creating procedures for taxicab leasing pursuant to Senate Bill 376 of the 78th (2015) Nevada Legislative Session do not create a negative economic impact on small businesses. In making its decision, the Taxicab Authority posted notice to specific locations consistent with open meeting laws; emailed and/or mailed notice to local persons, companies, and businesses inside and outside the taxicab industry; asked attendees during its formal workshops in December 2015 and May 2016 to address any impact on small businesses; and accepted both verbal and/or written comments before, during, and after its most recent adoption hearing scheduled before the Taxicab Authority Board on July 21, 2016. The Taxicab Authority has not received any statements to date addressing negative impacts to small businesses.

The Taxicab Authority will be holding a third formal workshop from 9am to 11am on September 22, 2016 at the following location:

***Taxicab Authority Hearing Room
2080 E. Flamingo Road, Suite 114
Las Vegas, Nevada 89119.***

Interested persons may address negative business impact both verbally and/or in writing before, during, and after this workshop. The Taxicab Authority will address and incorporate any such comments received during its third formal workshop into its final small business impact statement.

Based upon the foregoing, the Taxicab Authority does not believe the proposed regulations create a negative economic impact on small businesses hindering their ability to operate, form, and/or expand.

I certify that, to the best of my knowledge and belief, the information contained in this statement is prepared properly and is accurate.

By the Authority,

Ronald Grogan, Administrator
Nevada Taxicab Authority
Las Vegas, Nevada
