# Important Facts

- Pursuant to Nevada Revised Statutes 706.8846:

With respect to a passenger's destination, unless a different route is requested or agreed to by the passenger, a driver shall take the most direct route when transporting a passenger to his or her destination.

A driver **shall not**:

1. Deceive or attempt to deceive any passenger who rides or desires to ride in the driver's taxicab.
  2. Convey or attempt to convey any passenger to a destination other than the one directed by the passenger.
  3. Except as otherwise provided in this subsection, intentionally take a longer route to the passenger's destination than is necessary.
  4. Fail to comply with the reasonable and lawful requests of the passenger as to speed of travel and route to be taken.
- Variables which may affect your fare include traffic levels, time of day, day of week, time of year, community events, and your terminal of origin.
  - The most direct route is based upon miles and may not be the shortest time or lowest cost.
  - Your actual fare may be different than the amount posted here. Please notify your driver of the route that you would like to take to your destination.
  - The driver can only charge a passenger the amount shown on the taximeter plus any applicable credit card transaction fees.
  - Some taxis do not accept credit card as payment; passengers utilizing a credit card for payment will be charged a \$3.00 fee over and above the meter charge.
  - There is a \$2.00 charge on all fares originating at the airport.
  - A 3% tax will be added to the meter total. This chart includes the 3% tax.
