In the matter of the Amended Application of Desert Cab Co. to Adjust Taxicab Charges to Include a Pass-Through Software License Charge.

**First Order**  
**After Pre-Hearing Conference**

The first Pre-Hearing Conference in the above-entitled matter was held Wednesday, April 23, 2025, at 1:30 p.m. with discussions centering around discovery deadlines. All documents will be served on all parties **by email AND U.S. mail**, with the original plus nine (9) copies delivered to the office of the Taxicab Authority for filing no later than 3:00 p.m. on the due date, in order to assure the TA staff has appropriate time to receive and file the documents as oftentimes there is a wait for filing services. There **must be proof of service** on all parties, with a Certificate of Service or similar attachment, to every document a party wants considered by the TA. As of this date, the service list is as follows and all parties will immediately notify the TA's legal secretary Silvia at [stoms@taxi.state.nv.us](mailto:stoms@taxi.state.nv.us) should parties change or alter their address, email, or otherwise have requests to change the service list:

1           Discovery: the deadlines imposed for this matter are streamlined and likely shortened  
2 as the Board intends to hear this matter within a reasonable timeframe of 120-150 days.  
3 Therefore, the dates and deadlines set forth below are subject to change, amendment and  
4 alteration:

- 5       • Thursday May 1, 2025: Deadline for a brief statement (3 pages maximum) by each  
6 party re narrowing the law and the issues to be determined by the Taxicab Authority  
7 Board.
- 8       • May 7, 2025: Deadline for exchange of Index of List of Proposed Exhibits and  
9 Witnesses and exchange thereof.
- 10      • May 21, 2025: Deadline for Initial List of Experts and their pre-filed testimony.
- 11      • May 21, 2025, at 2:00: Second Pre-Hearing Conference at **Nevada State Business**  
12 **Center, 3300 W. Sahara, 4th Floor, Nevada Room, Las Vegas, Nevada 89102.**  
13 Discussion will include, among other things, participation from the parties regarding this  
14 current schedule (excepting the May 21 deadline for the Initial List of Expert and their  
15 pre-filed testimony), the discovery limitations set forth below, and the ability of the  
16 parties to stipulate to facts, applicable law, witnesses and exhibits.
- 17      • June 18, 2025: Deadline for Pre-filed testimony of all witnesses (experts due May 21  
18 see above).
- 19      • July 16, 2025: Deadline for filing disputes/discovery disputes, with responses thereto  
20 due July 29, 2025. Written discovery is limited to twenty (20) on another party in the  
21 case, including sub-parts. Responses are due within fourteen (14) calendar days.  
22 Objections to written discovery must not be boilerplate but must be stated with  
23 specificity including the grounds for the objection with specific reasons including, for  
24 instance, why is the request overly burdensome, oppressive, overly broad, or vague?  
25 Discovery responses that do not comply will be deemed a waiver of that objection,  
26 excepting as to privilege. Depositions are limited to one day of four (4) hours of  
27 testimony. Subpoena duces tecum will be given with seven days' notice before service  
28 to allow parties time to object. Should a party timely object, do not serve the subpoena  
until or unless the hearing officer allows.
- August 1, 2025: Deadlines for other Briefs and Motions. Oppositions and responses  
due within ten days.
- September 3, 2025: Deadlines for Supplemental Exchange of Responsive Documents  
proposed to be used as Exhibits.
- September 5, 2025: Deadline for Pre-hearing Briefs for the Board, which must include a  
summary of the relevant facts and an explanation of how the law applies to those facts,  
and how each witness' testimony supports each fact and the law. Included will be the  
proposed exhibit index, copies of all proposed exhibits, pre-filed testimony of all  
witnesses-expert and otherwise.
- September 17,18 & 19: Hearing on the Amended Application at **Nevada State**  
**Business Center, 3300 W. Sahara, 4th Floor, Nevada Room, Las Vegas, Nevada**  
**89102.**

1 The parties should meet and confer to condense discovery, including stipulations to  
2 undisputed facts and law, narrowing the issues to be presented, limiting duplicative evidence,  
3 and so forth. If they have not done so by May 21, 2025, an Order regarding the same will be  
4 discussed during the Second Pre-Hearing Conference. Also to be considered during the  
5 Second Pre-Hearing conference will be the stated limitation of the number of written discovery  
6 responses and the stated length of depositions, if any.
