

CLIENT JOB APPROVAL FORM

DISCLAIMER: Email proofs are for production approval only and are a general representation of color tone. They cannot be used as a color matching system. All monitors and printers have different calibrations and color accuracy cannot be achieved without a Pantone color or a match print. Please be advised that our printers do not print spot colors. Therefore, Pantone callouts are used only as reference and may not match exactly.

Client: Taxi Ads Las Vegas

Work Order: 31169

Please review the images carefully and either approve for production, or flag as requiring replacement.

FlavRx Wrap
qty. 1
