The proposed temporary new NAC regulations, temporary amendments to existing NAC provisions, and the temporary repeal of certain NAC regulations in Chapter 706 (collectively hereinafter the "Proposed Temporary Rules"), were discussed at length with the public and with the taxicab industry. The Nevada Taxicab Authority ("the Authority"), held two lengthy informal meetings with the industry in both January 2025 and February 2025, and two public Workshops with the Board in March 2025 and April 2025. Few changes were made to the Proposed Temporary Rules during the April 2025 Workshop with clarifications by staff being discussed. Changes from the March 2025 Workshop were publicly noticed and discussed during the April Workshop. Both Workshop agendas, the draft of the Proposed Temporary Rules and the Small Business Impact Statement were made available and noticed on the Authority's website, as well as at the Nevada State Library and Archives, the Nevada Legislature Administrative Regulation notices website and the State

2 Proposed Temporary Rules were posted at the Business and Industry Building in Las Vegas, Nevada,  
3 with the Capitol Police, the Clark County Commission, Las Vegas City Hall, and at the Authority's  
4 office.

6 Temporary Rules during the Workshops and Public Hearings. Moreover, a number of opportunities  
7 were given to the public to provide input as to any small business impacts that might result from
