Step By Step for Rideshare Patrons Drop Off

- F1 LVGP patrons will be sent information regarding event Pick Up/ Drop off zones, which includes information about each specific pick up and drop off locations noted above.
- When a patron orders a ride through their App, they will need to enter the address noted above, that matches their specific Event Venue for easiest access to their ticketed location. Walking paths have been established to each Venue space from all of the various Pick Up/ Drop Off Locations.
- In addition to specific directions that will be provided to the driver by the Rideshare App, signage will guide vehicles to the appropriate drop off zone as they approach the event.
- Traffic Flaggers and Event Staff will direct vehicles as they enter into soft road closures and maintain order in drop off locations.
- Once patrons have been dropped off, Wayfinding signage and Event Staff will guide patrons to their specific Venue space.
-

Step by Step for Rideshare Pick Up.

- When a patron calls for a pick up via Rideshare App they will be routed to the rideshare zone associated and closest to the venue area they are in.
- Geofencing uses the Patrons location to suggest a safe pick up zone, the rideshare app will only direct drivers and patrons to areas approved for pick up by our LVGP transportation team. All of those locations are noted above. In some cases, patrons can select pre-existing rideshare zones outside of the event perimeter. All Rideshare zones that are inaccessible because of circuit installation and hot track closure will be turned off. This includes all Rideshare zones within the track interior.

Step by Step for Taxi Drop Off

- F1 LVGP patrons will be sent information regarding event Pick Up/ Drop off zones, including information about each specific pick up and drop off location noted above.
- When a patron orders a Taxi, they will need to provide the address noted above that matches their specific Event Venue for easiest access to their ticketed location. Walking paths have been established to each Venue space from all of the various Pick Up/ Drop Off Locations.
- Signage along the perimeter of the Hot Track Closures will help guide vehicles to the appropriate drop off zone as they approach the event.
- Traffic Flaggers and Event Staff will direct vehicles as they enter into soft road closures and maintain order in drop off locations.
- After drop off, Wayfinding signage and Event Staff will guide patrons to their specific Venue space.

Step By Step for Taxi Pick Up

- Upon exiting an event venue space, signage will direct patrons to Taxi pick up locations.

- All of those locations are noted above will be available for Taxis to stage and pick up event patron.
- Taxis will not be allowed to enter the interior of the track. If Taxis are being called to pick up on the interior of the track, they will be directed to Silver Sevens Pick Up area and asked to call their rider and inform them of the available meeting point.

INNER CIRCUIT HOTELS

Taxis, Rideshare, third party limousine and black car providers will not be granted access to the track interior during hot track hours. There will be an established drop-off zone where guests can transfer to a courtesy "Inner Circuit Hotel Shuttle".

Drop Area:

- 3987 Paradise Rd.
- 36.116940, -115.155643
